

## Agreement for using PCB Direct software

This agreement is made between:

Customer name

Address

Po. Box and city

Country

Vat no.:

And:

Azitech Aps

Rugårdsvej 10

5000 Odense C

Denmark

VAT No.: 29417717

**By confirming this agreement, Azitech undertakes to supply PCB's in various specifications from 1-8 layers.**

### 1. Price condition

Azitech undertakes to supply competitive world market prices. All basis prices are based on US-dollars. This PCB-Direct service also supports currencies in both Euro and Danish Crones. All currencies will be adjusted according to the daily exchange rate relation with the US dollar.

Prices will be adjusted according to any mismatch between the online specification and the gerberdata.

All total prices include freight costs and will be delivered DDU (Delivered Duty Unpaid)

### 2. User name and password

User name and password are only to be used for the owner of the registered e-mail, and it is strongly recommended to use a password of min. 8 characters.

### 3. Software security

Using and uploading files on the PCB-Direct service, Azitech guarantees full information security.

### 4. Quality policy

Overall quality is guaranteed by Azitech.

All orders on the PCB-direct service, are being manufactured according to:

- IPC Class II
- UL 796
- ISO9000 and ISO14000.

- RoHS directive

Azitech grants a solderability warranty according to the following surface finishes:

- |                               |             |
|-------------------------------|-------------|
| • Lead free Hot Air soldering | = 12 months |
| • Immersion White Tin         | = 6 months  |
| • Immersion Silver            | = 6 months  |
| • ENIG                        | = 12 months |
| • Hard Gold                   | = 12 months |

Quality issues will be handled by Azitech by using the acknowledged 8 disciplines process management tool.

## **5. Delivery time and times of delivery**

All deliveries are based on the Incoterms DDP (Delivered Duty Paid)

Azitech undertake to meet the delivery timeframe stated in each order confirmation. First working day will be initiated, when the order has been confirmed by Azitech ApS and after all missing information has clarified.

The delivery times are being calculated according to a 5 day working week.

## **6. User price**

The duration of this agreement, will start on a free trial period of 3 months. The price for using the service will hereafter be, Kr. 100,- each months pr. user, which will be invoiced once every year.

## **7. Payment terms**

The payment terms are T/T in advance

## **8. Duration of this agreement**

This agreement shall by either Party be terminable by sending a written notice to terminate the cooperation at the end of any given month.

Any misuse of the service provided in this agreement, will automatically terminate the contract.

## **9. Law and jurisdiction**

All disputes arising out of this Agreement or out of the co-operation of the Parties in general shall be determined by the Court of Odense, as Danish law shall apply and the court language shall be Danish.
